

## **South Village Winter 2023-2024 Plowing Schedule**

Attached you will find the schedule for plowing at South Village this winter. You will note that the City of South Burlington will be maintaining a portion of South Village and Arrowhead Construction will be maintaining another portion. Please review the listed streets to determine who will be responsible for plowing the streets at your home.

### **Streets and Sidewalks to be Maintained by the City of South Burlington**

|                  |           |            |
|------------------|-----------|------------|
| -North Jefferson | -Preserve | -Churchill |
| -South Jefferson | -Chipman  | -Frost     |
| -Slade           | -Aiken    | -Dewey     |
| -Allen Road East |           |            |

\*Note; City plowing starts with two inches of snow fall. Sidewalks and bike paths along these streets will also be maintained by the city, with the exception of the new section of the bike path on Allen Road East (this will not be plowed) and the bike path along Preserve Road. Please note that the city DOES NOT maintain interior sidewalks (only those along the street). Additionally, the sidewalk on the southeast corner of South Jefferson will not be plowed by the city, as their equipment does not fit in these locations.

City of South Burlington Public Works contact info; 802-658-7961.

### **Streets and Sidewalks to be Maintained by Arrowhead**

|           |              |              |
|-----------|--------------|--------------|
| -Midland  | -East Fisher | -West Fisher |
| -Flanders | -Madison     | -Stafford    |
